Claude

Joshua Flores.

Multimedia designer · UX and visual systems

Multimedia designer in Mexico City. I design systems, interfaces and assets that have to work in their real context: from a phone feed to an 80-meter track banner.

Portfolio with case studies: jfstudio-mx.github.io/portfolio

EXPERIENCE

On-site prepress and quality control lead

May – Jun 2026

Grupo Ideartte · FIFA World Cup 2026, event-based project across 6 venues in 3 countries

- Prepress and QA for World Cup signage at **Estadio Ciudad de México and the Zócalo Fan Fest**, and venues in **Atlanta, New York, Miami and Vancouver**.
- Validation of files, dimensions, materials and finishes before large-format production, on a fixed schedule.

Multimedia designer, digital marketing and e-commerce

Aug 2025 – May 2026

ACGO Brands · Visual lead for Fellowes and Dahle

- Visual management of **100+ active SKUs** across e-commerce, marketplaces and the corporate site.
- Listing optimization on **Amazon and Mercado Libre**: information hierarchy and design aimed at the purchase decision.
- Around 10 9:16 videos a month and campaign kits for Hot Sale, Buen Fin and Q4.

Freelance designer: identity, packaging and automation

2024 – present

JF · Studio · Liga ADB Chile, Carnivorus and independent clients

- Weekly art direction for a **5-division** amateur football league, with an automated Excel-to-Illustrator workflow.
- Label system for a Brazilian meat brand: 16-page brief, label family and print specifications.

Graphic designer, marketing team

Feb – Jul 2025

Ourkisa · B2B and B2C real estate campaigns

- Around **30 pieces a month** for institutional campaigns, social media and executive presentations.

Prepress lead and graphic designer

Jul 2024 – Mar 2025

Grupo Ideartte · Festivals and motorsport

- Prepress and QA for banners, vinyl, fabric and mesh up to **80 meters**.
- Quality control for F1, Formula E, NASCAR, EDC, Corona Capital and Flow Fest, across about 25 projects a month.

Digital graphic designer and product photographer

Feb 2022 – Dec 2023

Sealy México · End-to-end visual production

- **In-house product photography**, on set and without an external agency.
- Around **50 pieces a month** for e-commerce, marketplaces, social, email and digital POP.
