Graphic & Multimedia Designer

Multimedia designer with 4+ years across digital campaigns, product photography, video and large-format production. I direct AI-generated imagery through to production-ready e-commerce assets and design brand websites: from 100+ SKU catalogues to FIFA World Cup 2026 signage.

SELECTED EXPERIENCE · 2022 — 2026

On-site Prepress and Quality Control Lead MAY 2026 — JUN 2026

MOST RECENT

GRUPO IDEARTTE · FIFA World Cup 2026 — stadium signage programme (event-based project)

- Graphic execution for **Estadio Ciudad de México**, Zócalo Fan Fest and venues in **Atlanta, New York, Miami and Vancouver**.
- Quality control of large-format banners, vinyl, fabric and brand bridges across several international venues.

FIFA World Cup 2026 Large format Multi-venue On-site QA

Multimedia Designer · Digital Marketing · E-commerce AUG 2025 — MAY 2026

ACGO BRANDS · Visual lead for Fellowes and Dahle, global office and organisation brands

- Visual management of **100+ active SKUs** across e-commerce, marketplaces and the corporate site.
- Listing optimisation on **Amazon and Mercado Libre**: information hierarchy and design aimed at the purchase decision.
- AI-generated product scenes** for campaign assets, combined with my own photography.
- ~10 vertical 9:16 videos a month, plus campaign kits for Hot Sale, Buen Fin and Q4.
